CAMERON IONA STUDIO

Welcome to Cameron Iona Studio! I create cards, prints and original artworks using a range of different materials such as oil pastel, charcoal and thread. I take inspiration from the places I have visited and the creativity I surround myself with.

ORGANIKO

Organiko is an inclusive activewear and loungewear brand, accelerating fashion into an eco-world through full traceability and a sustainable balance across all garment production. Our current collection consists of our OG t-shirts and polo shirts, all 100% organic cotton and embroidered with either the Organiko logo or leaf icon.

NINA KING ART

I am a landscape artist based in Somerset, UK. I use acrylics and love painting nature. On my website I am selling quality Christmas cards featuring some of my winter scenes and high quality glicee prints of my art work.

CENTRE FOR PRINT RESEARCH

The Centre For Print Research works with staff and MA Print students from the Department of Art & Design, UWE Bristol, to produce an annual show of limited edition prints. The Miniprint exhibition is designed as a print exchange between artists, as well as creating an archive collection for students to refer to.

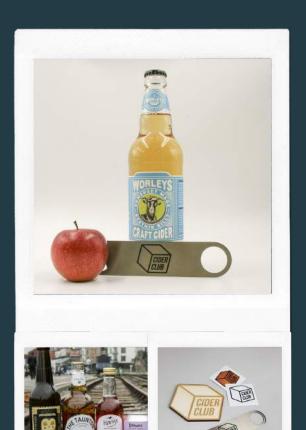

UNSUI

Sustainable fabric bags and pouches made using vintage Japanese kimono and discontinued fabric samples. Also small items made from fabric with unique print or texture to spark joy.

THE CIDER CLUB

The Cider Club is an online craft cider gift box shop founded in 2021, with an aim to provide a range of high quality craft cider boxes full of beautiful craft cider, accessories and snacks. Everything you need to enjoy real, 100% fresh pressed craft cider.

I create sustainable goods using an eco resin as well as using household waste to make a series of interior goods. All are made locally in Bristol by hand. Please visit my Instagram page to view my products and message me on there to purchase.
